

Statement by the Chair of the Faculty Senate, Dr. Jim Patton, regarding Dr. Robert B. Sloan's promotion to Chancellor of Baylor University:

"I can only speak for myself but I am sure the vast majority of faculty members would join me in thanking Dr. Robert Sloan for his service as our President for these almost ten years. His public remarks today were most gracious. An objective look at his enumerated accomplishments leaves no doubt of his commitment to Baylor University and his effectiveness in leading us into this new century in pursuit of a new vision of excellence. I'm sure all faculty join me in expressing our highest hopes for his success and a genuine spirit of cooperation as he assumes his new responsibility as Chancellor. In turn we are, as always, grateful for the skillful and committed leadership of Chairman Will Davis and our Board."
